26 May 1958

MEMORANDUM FOR: Mr. Milton E. Jenkins
Atomic Energy Commission - Room D 130
Washington 25, D. C.

FROM: Chief, R/SP

TO: Deputy Director (Intelligence)
Central Intelligence Agency
Room 354 Administration Building
Washington 25, D. C.

SUBJECT: Request for Field Trip to the AEC Nevada Proving Grounds

1. In accordance with preliminary arrangements made with you on 21 and 23 May 1958, permission is requested to make a detailed field study of facilities at the Nevada Proving Ground.

2. [redacted] of this Division are scheduled to depart Washington, D. C. on June 16. Access to the Proving Grounds is requested for 17 through 21 June, with the possibility that an extension of time may be required. 25X1

3. Permission is also requested for [redacted] to take 35 mm and Polaroid photographs of selected installations. The 35 mm film can be left at the Proving Ground for development and approval. The Polaroid photos, of course, can be viewed immediately after they are taken. 25X1

4. Transportation will not be required. Our men will procure a rental car upon arrival at the Las Vegas Airport. However, helicopter or aircraft flights over the Proving Ground would be very beneficial.

5. Accommodations for two are requested at the Proving Grounds.

6. Both [redacted] carry TOP SECRET and "C" clearances. 25X1
